

# PROJECT DESIGN PHASE - 1

## SETTING UP ENVIRONMENT - CREATE IBM CLOUD ACCOUNT

Team ID	PNT2022TMID17803
Project Name	Plasma Donor Application
Team Members	Abhirami S S, Charu Nethra S Kishore Kumar K, Dinesh Kumar C

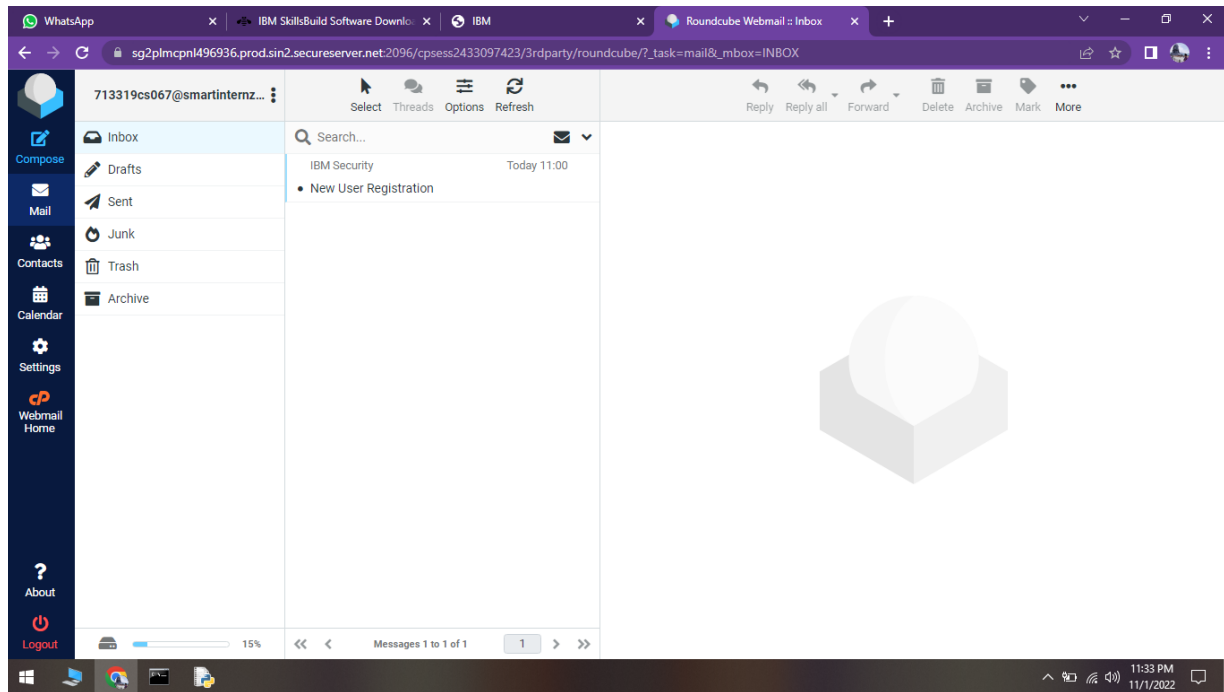

**Step 1:** Start the IBM account creation by visiting [www.ibm.com/academic/home](https://www.ibm.com/academic/home), to begin with registration.

**Step 2:** Use the webmail credentials to register with the IBM cloud and fill in all the other details.

A screenshot of the IBM SkillsBuild Software Downloads registration form. The form is titled 'IBM SkillsBuild Software Downloads' and includes several dropdown menus and checkboxes. The 'Sought Degree' dropdown is set to 'Bachelor of Engineering'. The 'Expected graduation Date' dropdown is set to '2023' and the 'Month' dropdown is set to 'Jun'. The 'Department' dropdown is set to 'Computer Science & Engineering'. There are two radio buttons for 'Enroll me in the IBM badge program', with 'Yes' selected. Below these are two checkboxes for 'I agree to the Software Downloads terms of service' and 'I agree to the privacy consent', both of which are checked. A blue 'Register' button is at the bottom of the form. The browser's address bar shows 'academic.ibm.com/a2mt/register'.

**Step 3:** Log in to the webmail with the given credentials in the profile, and complete the IBM Cloud registration by confirming the OTP.

**Step 4:** Now after verifying IBM cloud account is created.

Congratulation You have successfully signed in with the registered IBM ID.

Your ID will be used for login to IBM SkillsBuild Software Downloads. You will be redirected to the IBM SkillsBuild Software Downloads website now.

**Step 5:** As the account is created and verified now go to <https://cloud.ibm.com/login> and try logging in.

**Step 5:** IBM account is successfully created
